

PARENT FACULTY ASSOCIATION

Meeting Minutes

03-11-2021

6:00 pm

- I. Call to Order: 6:00 pm via virtual meeting (Zoom) by Tara Salas
- II. Defer approval of February minutes to April meeting
- III. President's Report: No report
- IV. Vice-President's Report: Tara Salas stated that we need to come up with a slate for next year. Email swopepfa@gmail.com if interested.
- V. Treasurer's Report: Jen Lambert - No activity in February which makes the running balance \$4235.06.
- VI. Comments from Principal and/or Assistant Principal:
 - Mr. Nakashima: Science department is tie dyeing with students after break and getting distance learners in on a Saturday. Bell schedule will be cascading for next year (as in years past) as expectations are that we will be 100% in person next school year. Committee is being put together to include discussions with all stakeholders and research obtained for the following school year with the addition of 6th grade. Facing cuts for next year - two special and one regular education allocation. District is ultra conservative and expects only 10% of students to come back from distance learning. Additional funds coming to the district after state legislature decides on specifics. Build-out - March 22 (girders on roof for gym). No access to the building until Saturday at the end of break. 75% capacity, as per governor, is being discussed for the rest of the school year (10 weeks). Three feet between students and 6 feet between teachers/students. No change will happen until after spring break. Communications will be made with stakeholders as information becomes available. Survey going out to parents this Sunday.
 - Mrs. Callahan: Knee deep in SBAC testing. Students and teachers are doing a fabulous job! Make-ups and 8th grade portions of SBAC will be scheduled for after distance learning students test, most likely in May. 8th grade celebration activities are being discussed. Shout-out to Mrs. Wegren for doing a FANTASTIC Reading Week!
- VII. Discussion/New Business: Tami Price-Student Leadership is working on a Humane Society Needs Drive, Student Aide Appreciation Day, Week of Health, Teacher Appreciation Activities, PROWL Ticket Store Week, etc. More updates to follow!
- VIII. Adjournment: 6:30pm

Next Meetings:

- March 11
- April 8 - Slate proposal and budget
- May 13 - Final Ratification and meeting for 20-21 school year

Attendance:
